

Safer Care Victoria

Euan M Wallace, CEO

Carl Wood Professor, Monash University

From the ashes
the place of research in high quality healthcare

Victorian Allied Health Research Conference

Allied Health Future Directions

Victorian healthcare – a three legged stool

review of Victorian public health care system

a new start and new opportunities

Here on the pulse of this new day
You may have the grace to look up and out
And into your sister's eyes, into
Your brothers' face, your country
And say simply
Very simply
With hope
Good morning.

*On the pulse of the morning
Maya Angelou 1993*

recommendations for the road ahead

stronger system leadership

- stronger department of health
- better stewardship
- better, more effective clinician engagement

stronger devolved governance

- better information (Q&S)
- better boards and board reporting

stronger democratic accountability

- improved use of data and better data
- improved transparency
- improved accreditation

Safer Care Victoria

five themes to drive change

patient centred care

patients, carers, families at the centre of everything we do

leadership

improving safety and quality across the system, sharing excellence

clinician engagement

stronger partnerships with clinicians in developing policy and strategy

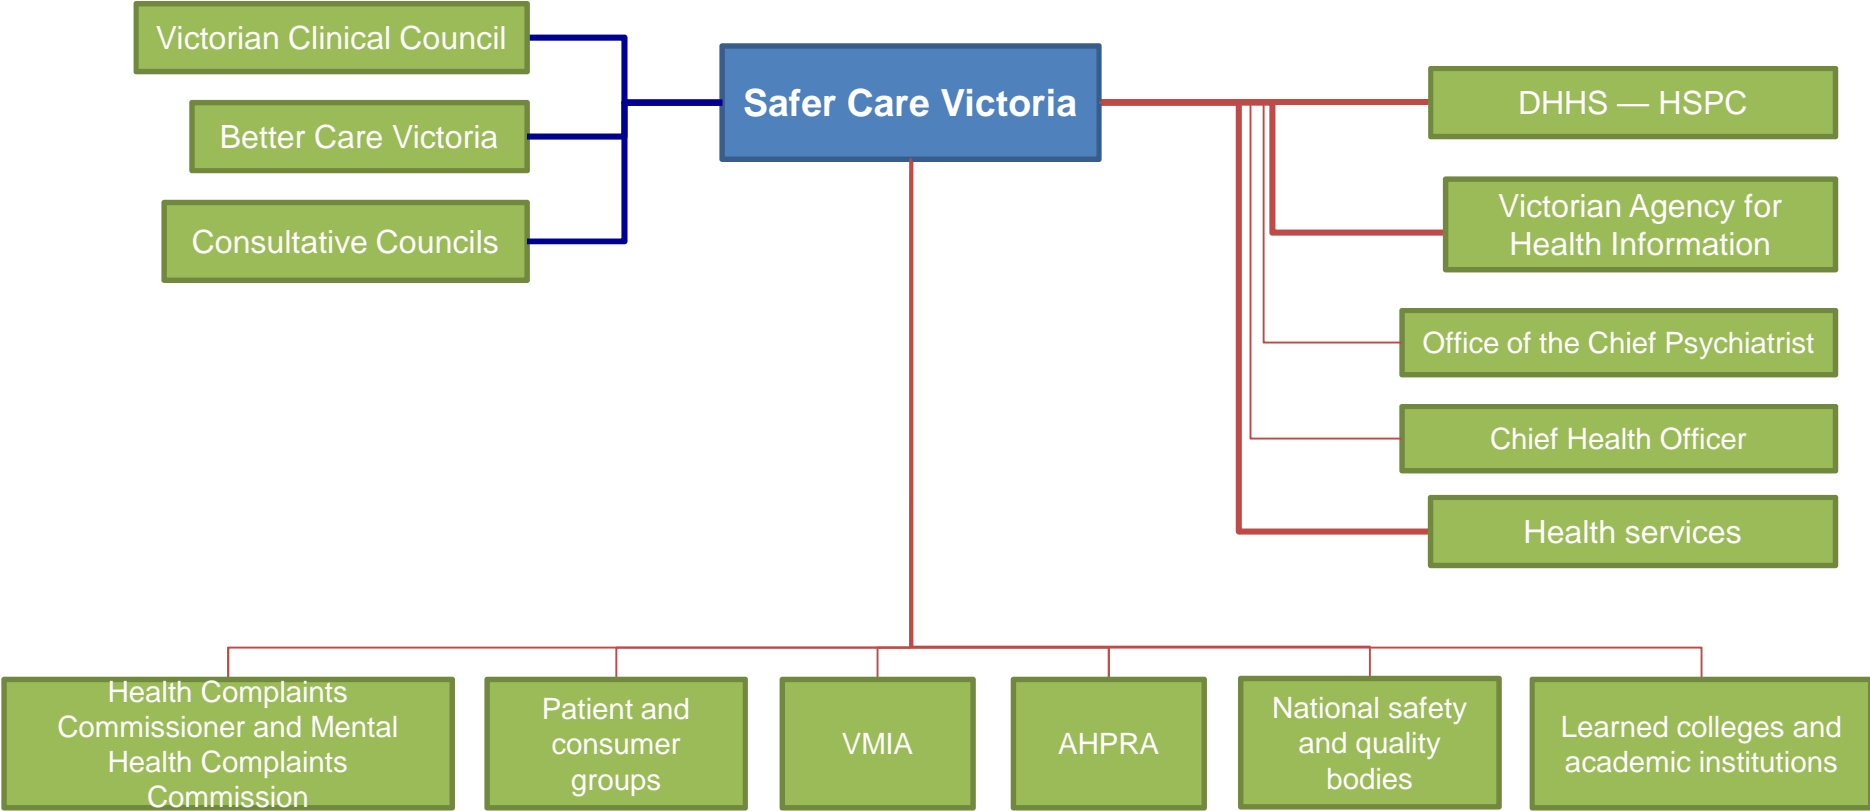

governance

developing and supporting leaders, encourage diversity

data and information

sharing information to deliver better outcomes

Safer Care Victoria

Safer Care Victoria

Our aim

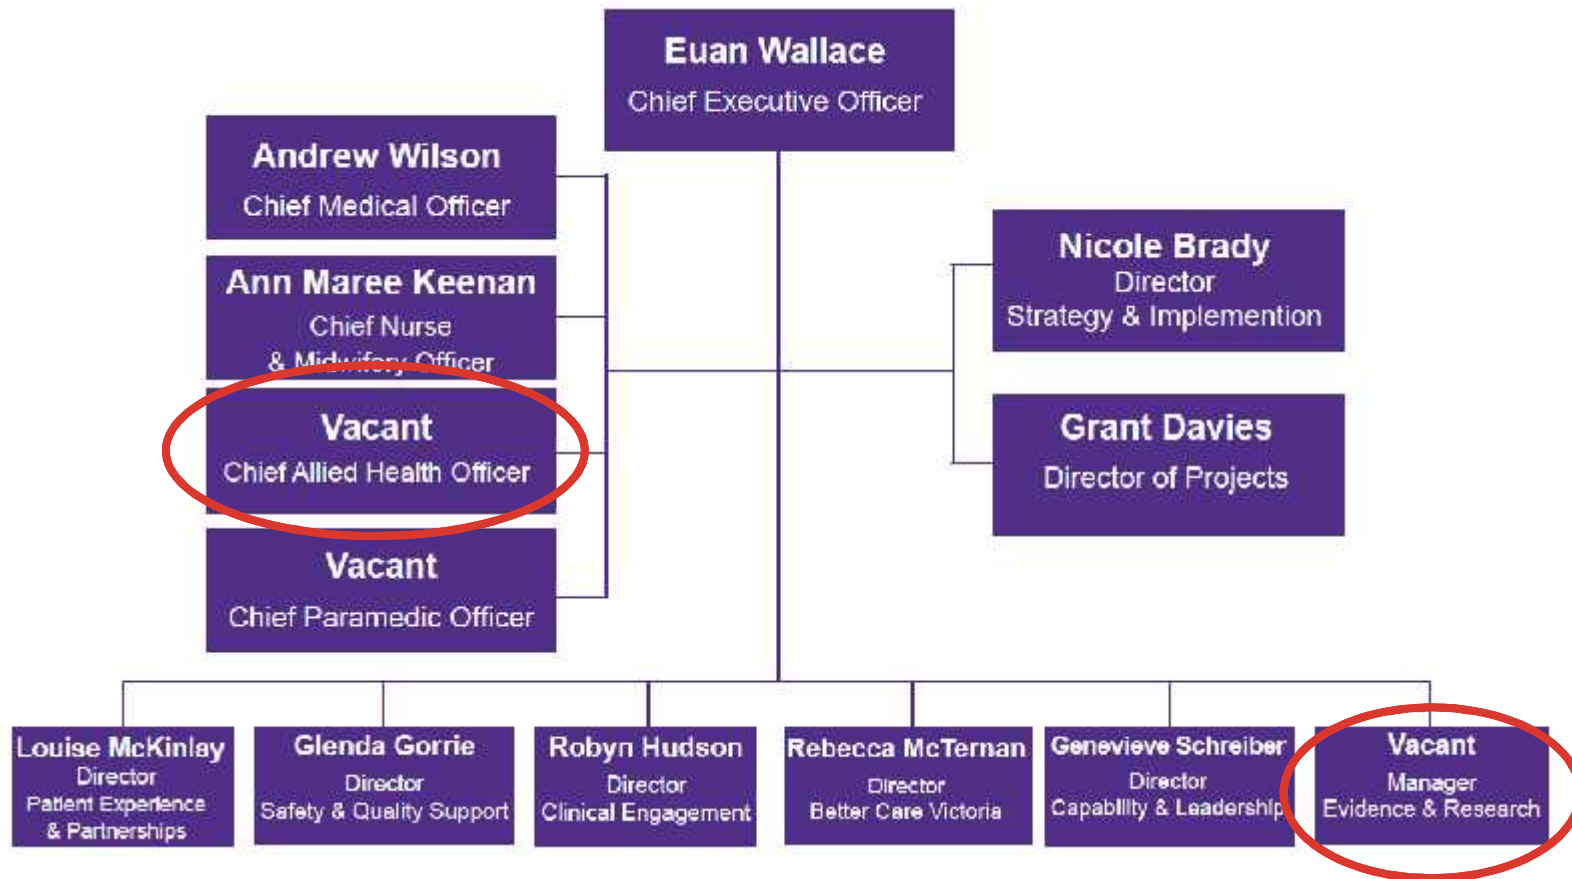

outstanding health care for all Victorians. Always.

SCV will work to

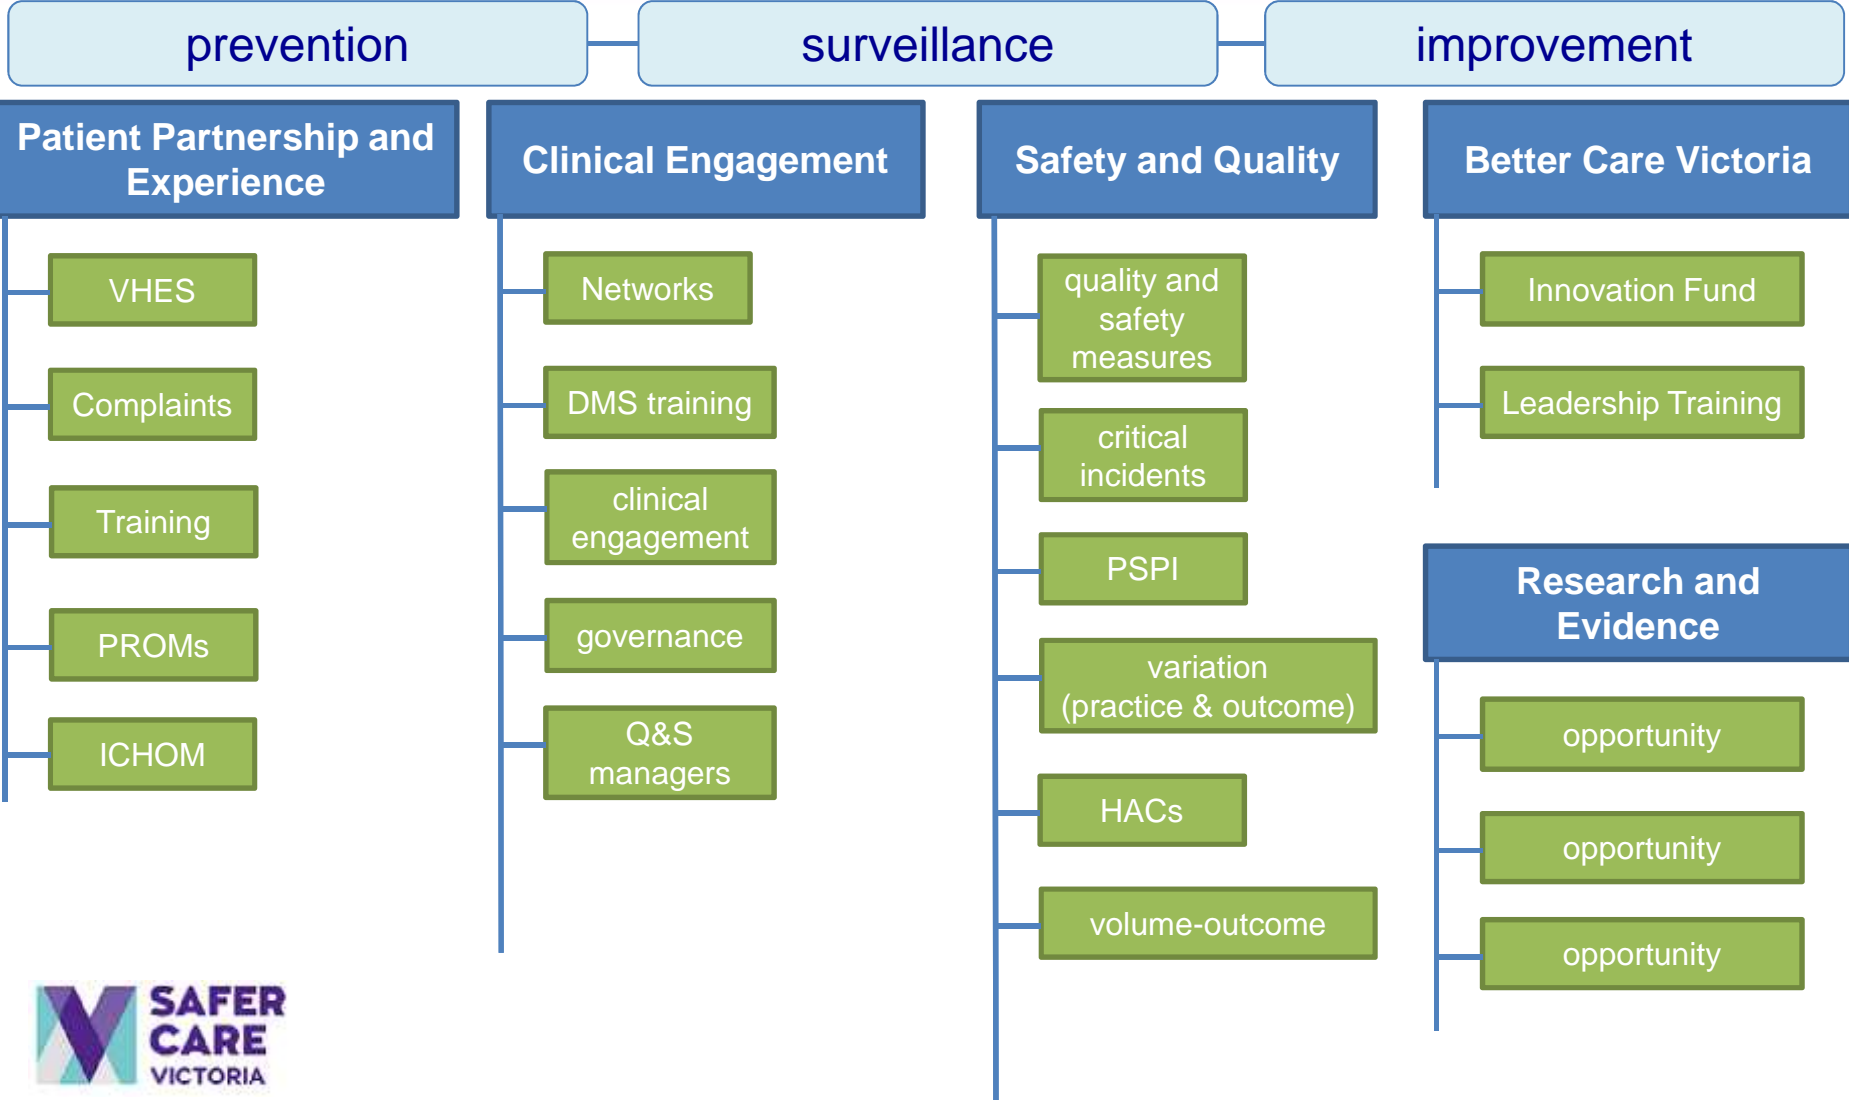

enable all health services to deliver safe, high quality care and experiences for patients, carers and staff

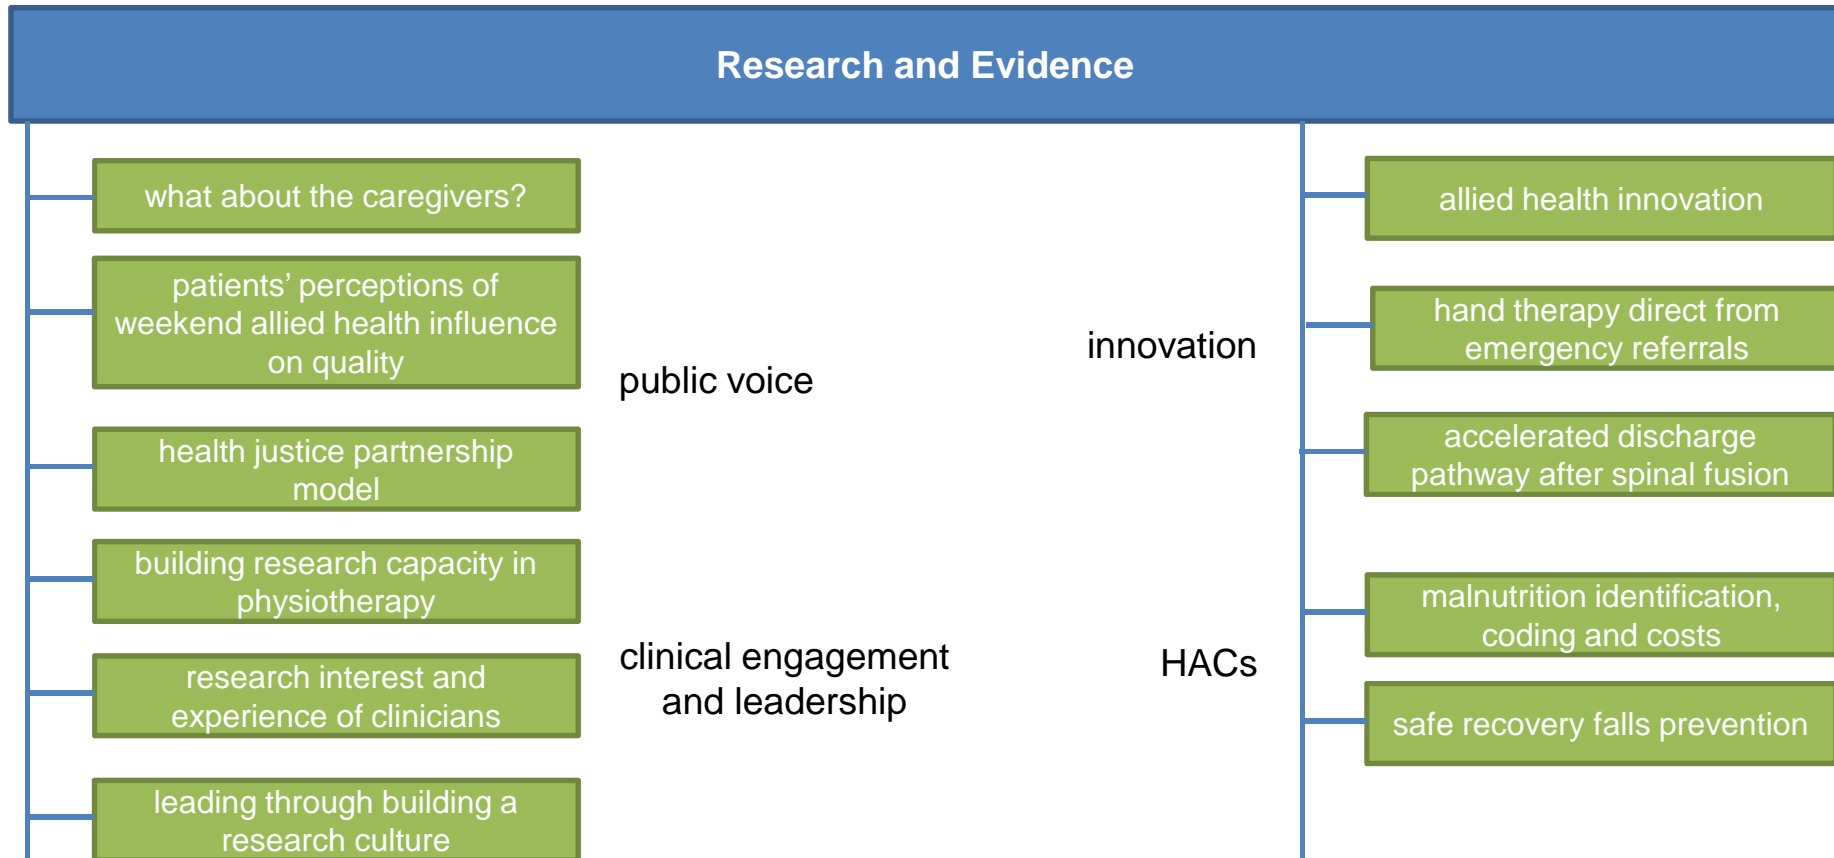

Safer Care Victoria: Our structure

Safer Care Victoria

Safer Care Victoria: research and evidence

A new start and new opportunities

History, despite it wrenching pain,
Cannot be unlived, and if faced
With courage, need not be lived again
